Newark N.J.

Dear Mercer:

Please pardon my delay in sending the enclosed check. I had delayed sending it hoping we would get in one good day in May. Last night we could not play our opening night game because of cold weather, which was the drop that ran the bucket over.

The check is for \$75.00, \$50.00 for The American Legion, and \$25.00 for the boys. I will talk to you the first time we can get together about the opening day program. As you probably know, Newark is the only city that has all the fan fare and color on opening day, and as a result only play one game. All the other teams open with a doubleheader. I want to discuss with you if it would be better to follow in their footsteps.

I think opening day here has grown to be a part of the community, and something most of our folks look forward to, and before I make any changes in my program I will discuss it with you.

I hope to have some time next week, and will call your office to see when you are available. Want to also discuss that other matter.

Very Truly Yours
